

Hidden Valley Campground
Rules and Regulations
(revised 9/19/24)

Campsites: Campsites are designed to accommodate one camping unit at a time. A campsite may have a maximum of 6 people staying overnight on their site. All campers' vehicles must be parked on their designated campsite. The following items are **NOT** permitted in the campground:

- a. Washing machines or dryers
- b. Garbage Disposals
- c. Electric hot water heaters on non-metered sites.
- d. Household toilets - Marine type toilets or low flow toilets (1.6 gal flush) only.
- e. Antennas, including television antennas, with an excess height of 3' above unit. Satellite dishes are permitted provided they do not exceed 18" in diameter and meet height guidelines.
- f. Boats are allowed only on your reserved site.

Quiet Time: Quiet Time is from 11:00 PM to 8:00 AM in keeping-with the family environment; campers are asked to refrain from any loud behavior or disturbances during this period. Minors must be on their site and/or under direct adult supervision by 11:00 PM.

Speed Limit / Vehicle Use:For everyone's safety, the speed limit in the park is 5 MPH. Please pay attention to directional signage and abide one-way roads. No vehicles or golf carts may be operated during quiet hours.

Golf Carts: All golf carts must be registered at the office. Limit of two golf carts per site. All persons driving a golf cart must be 16 years of age and have a valid driver's license. Only carts with fixed headlights and reflectors may be driven after dark. Site numbers must be clearly displayed on both sides of your cart in 3" or larger numbers or letters. Passengers are limited to the number of seats on the golf cart. Golf carts are to be operated in a safe and reasonable manner at all times. Please stay on roads at all times and abide by all posted speed limits. All golf carts must be maintained in good working order. Management reserves the right to refuse registration to owners of carts that are deemed unsafe and or do not follow the rules & regulations. Charging of golf carts is limited to your own site only. Violation of these rules will result in fees and / or suspension of golf cart privileges.

Campfires: Live trees are not to be cut for firewood or for any other reason. All campfires are to be contained in metal fire rings to minimize danger. Campers are not to use campfires to burn trash. Campfires must be completely extinguished before retiring for the evening or departing the campground. Please refrain from burning leaves on weekends or holidays.

Pets: All pets (including cats) must be kept on a leash and under the control of the pet owner at all times. Please dispose of all pet droppings immediately. Please do not tie up pets at site and leave them unattended. Pets are not permitted in any public buildings or swim areas. Pets that annoy other guests or are deemed a nuisance will be required to leave the campground. Hidden Valley Camping Resort, LLC shall be held harmless and assumes no liability, implied or otherwise, for animal bites or injury. You, as a pet owner, specifically agree to carry your own insurance and agree to indemnify Hidden Valley Camping Resort, LLC to cover any injury or damage, which may occur. Campers, their children or their guests are not allowed to have Pitbulls, Amstuffs, any wolf breed, Rottweilers or any mixed breed that has one or more of the restricted breeds in the mix.

Aggressive dogs are not allowed in the park.

Alcohol Policy: In keeping with the family environment, all alcoholic beverages must be covered when not on your site. Excessive use of alcoholic beverages is not tolerated. Violators will be required to leave the park.

Improper Behavior: For the protection and benefit of all campers and guests, anyone who willfully or negligently destroys or defaces the property of another camper or campground property will be held liable for the full value of replacement cost and may be subject to eviction. No firearms, B.B. guns, bow and arrows, slingshots, air guns, paintball guns, or fireworks may be discharged or permitted on premises. Further, any individual who violates these guidelines, or by their actions or words disturbs the peace, creates conflict, or otherwise creates a situation not in keeping with the family environment will be required to leave the park.

Parental Responsibility: Provide proper supervision for your children while in the park. All children must be under adult supervision. Children under 14 years must have adult supervision while in the Pool, Lake Area, or dog park. Parents will be held responsible for the actions of minor children. Minors must be on their site and under direct adult supervision by 11:00PM.

Guest: Campers may have guests (people that are not registered as seasonal campers at your site) however they must register at the Office and are subject to any applicable Day Guest Fees. Campers are responsible for the behavior of their guests. It is the responsibility of the camper to register any and all guests.

Decks, Storage Buildings & General Construction: No construction of any kind is permitted without written permission from management. Any approved construction must accompany a permit and zoning approval if applicable. Fencing around campsite areas is allowed with manager approval. Only park approved additions and storage units will be permitted. All sizes for additions must be approved prior to construction. Limit one storage unit per site. Decks must have a maximum height of 24" and be constructed of pressure treated lumber.

Site Requirements: A sewer donut is required around your sewer hose at the point of connection to the sewer pipe. If you do not have one of these, we will arrange for installation and charge you accordingly. Your sewer hose must be sloped downward from your trailer's sewer connection to the campground sewer hookup to prevent any clogging or spillage on the ground.

Neatness Policy: No display of any large appliances on decks or sites. Campsites and decks must be kept NEAT with no excessive clutter. Decks are NOT to be used as storage areas. Campers are responsible for keeping their site area clean and free of debris. All tarps must be removed from campers. Auto repair of any kind will not be allowed on your campsite.

Tree Policy: It is the policy of the campground to leave the park in its natural state whenever possible. If a wooded site is chosen, it is understood that the trees are part of the landscape and beauty of the area. If you wish a tree to be removed, the following procedure must be followed 1) Complete a request for service form which may be found in the office and indicate the location of the tree you would like removed. 2) A member of our staff will assess the situation and allow or disallow its removal. If it is ascertained that the tree must indeed be removed, we will take one of the following two actions: If our staff is able to safely remove it, we will proceed accordingly. As a courtesy, the site occupant will not be charged for the removal of the tree. If our staff is not able to safely remove it, we will secure bids from authorized tree removal specialists. We will schedule the removal of the tree with the company chosen and the site occupant will be charged accordingly. If a tree requires removal and/or trimming due to disease or storm damage, the site occupant will not be charged. Under no circumstances should you remove the tree yourself or hire someone else to remove it. Any and all tree removal must be pre-approved by the office. You are responsible for notifying the office if a tree on your site needs attention.

Landscaping: Seasonal campers will be responsible for the upkeep and maintenance of their site including weed removal. Seasonal campers are required to rake all leaves and general debris from their site and place in garbage bags. Bags should be taken to the road edge for pick-up. Sites, which are not raked by May 15th will be cited and Management will perform necessary lot cleanup for a fee. If you are not able to perform these duties due to physical limitations, please contact the office to make other arrangements.

Washing Campers/Vehicles: Units that remain year-round must be washed at least once a year. Please refrain from washing campers on the weekends, preferably weekdays only. Personal automobiles cannot be washed in the park at any time.

Clotheslines: For the safety of all campers, permanent clotheslines are not permitted on sites. Temporary clotheslines may be used to dry swimwear only. Clotheslines should not be strung from trees and should be taken down immediately after use, as they may pose a safety hazard, especially after dark.

Gravel: No personal hauling of stone from our stockpile is permitted. You must order your own and have it delivered. Management approval is required before gravel delivery.

Electricity: Please help conserve electricity, turn off all lights, A/C, and Heaters when leaving the park for an extended period. This includes inside and outside lights. Dusk-to-Dawn lights must be turned off between stays. Power will be disconnected at pedestal for all non-metered campsites where lights or A/C has been left on between stays.

Trash Pick-Up: Garbage is not picked up at individual campsites. Please dispose of all trash in the trash containers provided. Do not dispose of hazardous materials in trash containers; no household furniture or electronics can be disposed of on site. Trash-cans at the bath-houses are for loose trash only, not bagged trash.

Car & Front Gate Passes: Car Passes are issued to campers for the use of their immediate family only. If a Car Pass is found in possession of someone not listed on the contract, it will be revoked and a fee assessed.

Bird Feeders & Wild Animals: No bird feeders are allowed. No feeding wild animals of any kind by order of the gaming commission.

Selling Your Camper: Management shall be notified prior to the sale (or proposed sale) of a camping unit. Management approval is required for the unit to remain at the campground. This includes the right to review the qualifications of any prospective buyer, the condition & age of the camping unit, site & deck or screen house. Prior to the resale of your unit a pre-sale inspection request must be submitted to management, who will inspect the unit and determine whether it may remain in the park, and if so, what conditions must be met. Any conditions not met at time of transfer become the responsibility of the buyer. Failure to comply with conditions required can result in cancellation of the buyer's seasonal contract. Management also reserves the right, in its sole discretion, to deny approval of any proposed transfer. All campers selling their units may post a "For Sale" add on the resale board located at the office. In addition, your name and unit will be added to a resale list

and distributed to potential buyers, visitors and persons requesting resale information in the campground.
